## Tyne Tees Toppings

**Milton Keynes Roller Dance Club** travelled up North for the annual Tyne Tees Tournament at Newton Aycliffe. The dedicated band of dancers competed against strong skaters from around the country and brought home a good haul of trophies and medals.

**Adana Roberts** collected the trophy for her original set pattern (OSP) dance in a tough group of older and more experienced skaters. **Gemma Frith** performed two dances choreographed for her with mixed results. She competed in the senior categories alongside the British Champion and was pipped into fourth in the OSP and took a well deserved silver medal in the Creative Dance contest. **Ross Frith** performed his Pinnochio novelty free routine to finish fifth.

**Abigail Ashton-Brown** topped the junior solo dance contest and **Gemma Frith** came second. **Ross Frith** came second in the newcomers dance event - a great start for a new skater. **Philippa Rosewell**, in her second competition, secured a second place in her age group of novice dancers. **Adana Roberts** met stiff competition in the preliminary dance category and finished in fourth place.

**Gemma Frith** and **James Foster** won the junior dance couples event with **Anne Kiss** and **Graham Stiles** in third place. **Abigail Ashton-Brown** and **Gemma Frith** skated together in the senior duo event to collect the silver medals.

**Abigail Ashton-Brown**, **James Foster** and **Gemma Frith** teamed up to a second place in the senior dance teams event. **David Briggs**, **Anne Kiss** and **Graham Stiles** were third in the adult dance team competition. **Adana Roberts** helped another club's team to a silver medal.
